Born of the Computer Mania brand, the Eikestad Mall franchise store embodies the values synonymous with Computer Mania: Knowledgeable staff, and prices that offer superb value for money. We offer latest technology, across a wide specification spectrum. Our commitment is to service excellence: we aim to satisfy the needs of our customers. Dedicated owner management ensures not only friendly and knowledgeable service, but a dedication to source the products you need. And our reach is beyond the store in the Mall: we aim to reach businesses and educational institutions in the area to meet their IT procurement needs. Glynis Stephen and her team of Reuben Willemse, Robin Damian, Christiaan Louw and Wayne Abrahams promises to make Computer Mania Blue Route the only shop you need for all your computer supplies and advice.
