We are a beauty day spa in Kenilworth, Cape Town, conveniently situated close to many popular hotels, restaurants and shopping areas of the Southern Suburbs. We offer a full range of lash extensions, facials, massages, manicures and pedicures, Gelish applications, Polygel nail extensions, threading, tinting, waxing and spray tanning. Our spa is professional and service orientated, while also being wonderfully casual and comfortable. We encourage our guests to spend time chilling on the deck, enjoying a glass of bubbly or herbal tea and lounging by the pool. Free wifi is available should you need to make use of this while you are visiting. In winter we offer a cosy relaxation lounge area - complete with roaring fire and TV for 'Chick flick' movie viewings. As a result of this, ours is a space where people feel comfortable socializing and interacting with both ourselves as well as the other guests. This is truly your spa away from home. All our therapists are very well-trained and offer thoroughly professional and efficient treatments. Whether you choose to drop in for an hour or stay for the day, we offer a range of packages to suit both him and her - or tailor make your own spa day! We are stockists of Environ facial products, Morgan Taylor and Gelish and Polygel nail treatments and Cirepil wax treatments. We offer Vita Liberata organic spray tanning and The Lash Collection lash extensions in Classic and Russian Volume looks. We cater for the
